HOW TO PLAY:

1. Players take turns answering one question from the **Game cards** pile.
2. If he/she answers the Game card question correctly, the player rolls the dice and moves the correct amount of spaces across the board. Player then puts their question card in the **Discard pile**. If he/she answers the Game card question incorrectly, they place their card in the **Discard Pile** and his/her turn is over.
3. Some game spots have special instructions. Make sure to follow the directions on these spots should you land on one!

HOW TO WIN:

The player who crosses the **ENDZONE** First is the winner!
