

Name: \_\_\_\_\_

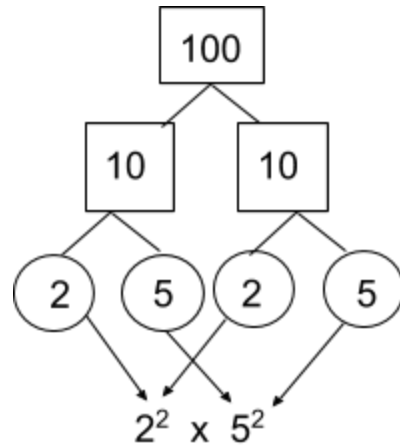

Starting at the cloud solve the Prime factorizations in exponential form to make it to the lightning at the end of the maze.

Name: \_\_\_\_\_

Starting at the cloud solve the Prime factorizations in exponential form to make it to the lightning at the end of the maze.

Prime factorization example:

Exponential Form →

Name: \_\_\_\_\_

Starting at the cloud solve the Prime factorizations in exponential form to make it to the lightning at the end of the maze.
